

Greetings from the beautiful Red Rocks of Southern Utah!

The AAUW Utah State 2010 convention will be held on *April 16th and 17th*. Please alert your members to mark their calendars and save the date now, as this is sure to be an event they won't want to miss. The St. George AAUW Branch hosts are busy lining up an exciting set of speakers and are arranging fun-filled extra-curricular events to engage our members. Attendees should expect to be informed and involved in current topics concerning women in Utah today. The networking opportunities will allow all of us to find out what other branches are doing and to plan for the future.

April typically brings near-perfect weather to St. George, so this is also a chance to give family members a break from the cold by bringing them along for a mini-vacation. A special hike to the Ivins petroglyph site on Saturday morning has been arranged, for interested family guests. In addition, golf packages are available before, during and after the convention.

Watch for more information about the speakers, the workshops, and a special 'opening' cocktail party on Friday evening for members and their guests.

Mark your calendar today: **April 16th and 17th, 2010 in St. George.**
